

Additional Language (Language B) Request Form

All students whose native language is not English will undergo EAL Testing to determine their needs and command of the English Language. **If students do not need EAL support**, they will automatically be eligible to benefit from a Language B.

This Lang B form will help us guide and expedite placement once the students are cleared from EAL testing. This form is sent to the Language B Head of Department for analysis and authorisation of the choices made.

The Language B HoD may revert with a different proposal of study, which would be discussed on an individual basis.

All fields are required.

Stonehill International School offers additional languages as follows:

SPANISH, MANDARIN and HINDI in PYP

In what language(s) is your child proficient? (i.e. what is your child's Mother Tongue? Is your child a functional bilingual in another language?)

.....

.....

.....

Is / Are the language (s) of communication at home any of the languages offered at Stonehill as Language B options? If so, which one(s)?

.....

.....

Has your child studied any of these languages before?

If the answer is: "yes", please provide further information. For how many years? Where? (At school: please specify whether this was an IB School – Language Academy, etc.)

.....

.....

(Please be reminded that students MAY NOT pursue Language B courses in either their Mother Tongue or languages in which they are functional bilinguals)
